ENERGETIC TUNE UP AND VIBRATION BOOSTER PROGRAM

I created the original Energetic Tune Up Program over ten years ago to **automatically run whenever a customer ordered it**. It was a two-step process. The original program would first scan the customer's energetic spaces to identify energetic weaknesses and imbalances and then it would transmit clearing and healing energies to dissolve them.

In September of 2019, I hugely raised my vibration and I realized that I could now greatly expand the power and effectiveness of this program. The new Energetic Tune Up and Vibration Booster Program has five steps that **AUTOMATICALLY begin to run whenever a customer orders the program**.

Step 1: The program begins to scan the customer's genetics; epi-genetics, quantum fields and particles and energetic spaces, fields, organs, systems and bodies for energetic weaknesses, imbalances, illness and disease states.

Step 2: The program accesses and taps into the healing power of ALL of my healing modalities, tools, sessions, audios, images and work product to clear, transmute, heal, release and dissolve all of the energetic weaknesses identified in Step 1.

Step 3: The Angels of Love and Healing transmit waves of Angelic Love and Healing Washes and Tones to the customer's energetic spaces and fields (part of Angelic and Elohim Mastery).

Step 4: The program accesses and taps into the clearing, healing and enlightenment power of ALL of my healing modalities, tools, sessions, audios, images and work product to not only raise the vibration of the customer but also to clear, transmute, heal, release and dissolve anything the customer ever thought, felt, said or did that lowered her or his vibration.

Step 5: The Elohim and Over-Lighting Devas of the Human Body and Genetics transmit healing energies to the customer to help them to integrate, assimilate and embody the healing work done by the Energetic Tune Up and Vibration Booster Program.

The cost of this exciting program is just \$27 and it can be ordered using PayPal, Visa or MasterCard. As soon as you place the order the program will begin to run automatically!
